28 DEC 1961

MEMORANDUM FOR THE RECORD

SUBJECT: [] Clearance Request for Col. Robert R. Gould

1. [] DPD/SEC, contacted the undersigned 27 Dec 61 to discuss the requirement for an [] clearance for Col. Robert R. Gould of NORAD. Subject clearance had been requested by Lt. Col. Hauser Wilson.

2. Inasmuch as Col. Beerli has indicated his intent to coordinate OXCART radar suppression problems with NORAD at an early date, I phoned Lt. Col. Wilson to determine his requirements with NORAD at this time. Lt. Col. Wilson explained that Col. Geary had directed him to request a clearance for Col. Gould and that he (Wilson) was planning a visit to NORAD to discuss OXCART [] problems with Col. Gould once cleared.

3. I advised Lt. Col. Wilson that DPD was preparing for a visit to NORAD and requested that he hold his planned visit in abeyance until a DPD requirement for NORAD coordination is submitted to his office. In the meanwhile, I have asked [] to hold up on Col. Gould's clearance pending Col. Beerli's approval.
